

## **AN OPPORTUNITY FOR YOU?**

Could you manage a Cherchez “satellite” group in your area?

One lunch meeting per month (12.00 noon to 2.00pm)

All promotional work will be done centrally, but you can back this up with your own promotion if you choose. It depends what reward you want.

### **What you have to do.....**

- Source a suitable venue – pub, café, business centre (preferably NO COST)
- Negotiate the best catering deal
- Be present on the day to welcome the attendees with a 5 minute Cherchez presentation (script provided)
- Collect business cards on arrival and perform the draw before the end of the session
- Introduce the “Members Spotlight” 15 minute session (if appropriate) and manage the timings
- If no member is taking the spotlight, use it to promote your own business.

### **What’s in it for you.....**

- A dedicated “area” page on the Cherchez website – you provide the content (if you wish) to be included
- A free lunch once a month
- A delegate list provided prior to the event
- An opportunity to build your own circulation list
- Earn 10% on all booking fees taken
- Earn 15% on any new membership fee generated from your meetings
