@CherchezNetwork

Ladies,

I feel like I'm treading mud at the moment, struggling to find the time to fit everything in!

But don't fret - your latest Cherchez Newsletter is a summarised version, and this week it includes:

- **only one week to go** to our next **Warrington** Meeting - get your place **booked now**
- just over two weeks to the next **South Cheshire** meeting - this time in Nantwich - **reserve your place**
- another successful April launch in **Tameside** - read all about it and **book early** for our next event
- **Manchester's** May event - venue confirmed (very exciting!) and **booking open**
- **Stockport's** May event includes a presentation on Pre-Nups - details and **booking open**
- Get the date in your diary for our **Summer Spectacular Event - FRIDAY 8th JULY**. Details will follow after the Easter Break.
- and the latest in our series on **Sales and Marketing** tips.

The network is really building fast which is very exciting, but equally exhausting! You are now amongst the 1062 readers of our news updates!

Thanks to all of you who have attended our recent events and I hope to meet many more of you throughout the Marvellous Month of May as we have some Magnificent Meetings planned for you!

Hope you all have a lovely Easter break and let's hope this fabulous sunshine continues.

And Finally

A woman walked into the kitchen to find her husband swatting flies. "Killed any?" she asked. "Yep, three males and two females" he replied. Intrigued, she asked how he could tell..... "Three were on a beer can and two were on the phone".
