### **GHOST The Musical – terrific feedback**

I had a text from someone who went to see the show last Friday which read

*"Hi, half time at Ghost. It's absolutely awesome. Just amazing. I'm not just saying this but you and your friends will love it".*

Now I am excited! We have a group of 40 so thanks to all of you who have booked tickets. The booking deadline has passed but someone is now unable to go and there are **3 tickets going spare**. Remember it's a 6.30pm start for an hour with the producer before the show. Find out the finer details [RIGHT HERE](#) and call me on **07878 281625** to get your hands on these last three tickets.

### **Summer Sensation**

It is our intention to hold a **BIG EVENT** prior to the summer break which will bring all our regional groups together for a networking extravaganza in Manchester City Centre. The plan is to have some exhibition opportunities, a key speaker, plenty of networking time and some breakout seminar sessions, complimented by lovely food and drinks. Watch this space for more details as plans develop.

### **Member Special Offer**

Jo McGee from Gymophobics in Stockport and her colleague, Debbie Watkins, have formed "Bodylean", using a fat melting technique direct from the Far East. Using a non surgical and painless procedure, they can now "melt fat".... sounds too good to be true I know, but they say it really does work and they are already getting excellent results after only 3 months of trading. Take a look at their leaflet [here](#).

Cherchez Members can access a special introductory offer - just £125 instead of £475 for a course of 4 treatments. Log into the website to find your special discount code [here](#).
